RE: **WC Docket Nos. 10-90 and 11-42**
Annual Report Pursuant to 47 C.F.R. §§ 54.313 and 54.422

Dear Ms. Dortch:

Muenster Telephone Corporation of Texas DBA Nortex Communications, by its authorized representative, files a revised FCC Form 481 - Carrier Annual Reporting Data Collection Form in compliance with 47 C.F.R. §§ 54.313 and Section 54.422.

The FCC Form 481 initially submitted to the Commission on September 20, 2013 inadvertently omitted several pages to the redacted version of the financial information required by §54.313(f)(2).

Pursuant to the Protective Order released November 16, 2012 (FCC Record DA 12-1857), and in accordance with the Commission's confidentiality rules, paper copies of the non-redacted and redacted financial information are also being submitted to the Commission with a request for confidentiality, under separate cover. This information is competitively sensitive and is not normally released to the public.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Jean Langkop".

The Company has 4 portable emergency generators it can utilize throughout its network to maintain power at remote sites. The network is capable of managing traffic spikes resulting from emergency situations.

The Company is able to reroute traffic around damaged facilities. Although the Company's ability to reroute traffic around damaged facilities is not absolute and may be limited in certain circumstances, there is a restoration plan in place for expeditious recovery of service, including splicing of damaged facilities when warranted. The Company has a portable splicing trailer fully equipped for fast response to cut facilities and has a portable Broadband Loop Carrier available to respond to damaged remote switching sites.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0572-0031. The time required to complete this information collection is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Board of Directors
 Muenster Telephone Corporation of Texas
 dba Nortex Communications
 Muenster, Texas

Dear Board Members:

We have audited the financial statements of Muenster Telephone Corporation of Texas dba Nortex Communications as of and for the year ended December 31, 2012, and have issued our report thereon dated March 15, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards*, issued by the Comptroller General of the United States, and 7 CFR Part 1773, Policy on Audits of Rural Utilities Service (RUS) Borrowers. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

In planning and performing our audit of the financial statements of Muenster Telephone Corporation of Texas dba Nortex Communications for the year ended December 31, 2012, we considered its internal control in order to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control over financial reporting.

Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting that we consider to be a material weakness.

7 CFR Part 1773.33 requires comments on specific aspects of the internal control over financial reporting, compliance with specific RUS loan and security instrument provisions, and other additional matters. We have grouped our comments accordingly. In addition to obtaining reasonable assurance about whether the financial statements are free from material misstatements, at your request, we performed tests of specific aspects of the internal control over financial reporting, of compliance with specific RUS loan and security instrument provisions, and of additional matters. The specific aspects of the internal control over financial reporting, compliance with specific RUS loan and security instrument provisions, and additional matters tested include, among other things, the accounting procedures and records, materials control, compliance with specific RUS loan and security instrument provisions set forth in 7 CFR Part 1773.33(e)(2), related party transactions, and investments. In addition, our audit of the financial statements also included the procedures specified in 7 CFR Part 1773.38-45. Our objective was not to provide an opinion on these specific aspects of the internal control over financial reporting, compliance with specific RUS loan and security instrument provisions, or additional matters, and accordingly, we express no opinion thereon.

No reports, other than our independent auditor's report on the Company's financial statements or our independent auditor's report on internal control over financial reporting and on compliance and other matters, both dated March 15, 2013, have been furnished to management.

- the materials controls.

Comments on Compliance with Specific RUS Loan and Security Instrument Provisions

- The borrower was not required to obtain written approval of the RUS to enter into any contract, agreement or lease with an affiliate as defined in §1773.33(e)(2)(i); and
